

These suggested *HD Word* Heart Word lists can be used with any *HD Word* student who needs more practice with high-frequency words. Each unit's recommended Heart Word list includes words from the Dolch high-frequency word lists (most words come from the 2nd and 3rd grade Dolch lists), and each word also appears in the corresponding *HD Word* unit's Decodable Passage and/or Oral Reading Fluency passage. We recommend that you use Really Great Reading's Heart Word Magic approach and activities (found at <https://www.reallygreatreading.com/heart-word-magic>) to teach and practice these words.
