

Reading Instruction Tailored for English Learners

An English Learner toolkit empowering all stakeholders in the English Learner journey, with digital and printable resources curated and designed for the students as well as their educators, families, and caregivers.

Comprehensible Input Phonics Instruction

The Multilingual Supply Room is the only supplemental resource that uses students' native languages to explain English phonics skills. By providing instructional videos and materials in the students' native languages, learners grasp new concepts more effectively, accelerating literacy skills by leveraging their existing language knowledge to learn English.

Specific Scope and Sequence for English Learners

The Multilingual Supply Room provides a structured sequence of phonics skills tailored specifically for ELs. This systematic and effective instruction addresses the unique needs of English Learners and improves their literacy outcomes.

Tailored Support for Teachers

The Multilingual Supply Room equips English-speaking and bilingual educators with tailored and comprehensive solutions. With easy-to-use materials, lesson planning is simplified, and teacher confidence and classroom effectiveness get a boost!

Family Engagement

The Multilingual Supply Room goes beyond classroom instruction by offering authentic, contextually translated materials that empower families to support their children's learning outside of school. Bringing families into the learning process fosters a strong home-to-school connection.

Support in Eight Languages

The Multilingual Supply Room offers resources in Arabic, Haitian Creole, Korean, Mandarin, Somali, Spanish, Tagalog, and Vietnamese.
