

## BLAST ONLINE

# Getting Started Video Library

We are excited to offer the Blast Getting Started Video Library, a wonderful resource to help you get started. Access this library in the Supplemental Resources of Blast Online.

To access these assets, please login to your Blast Online subscription:

1. Go to Supplemental Resources
2. Click on Videos and Animations
3. Click on Blast Getting Started Guides

To optimize your success, proceed through the videos in the order listed below:

### BLAST TEACHER GUIDES

Familiarize yourself with the structure and resources found in the Blast Teacher Guides.

### GETTING STARTED WITH BLAST INSTRUCTION

Familiarize yourself with the philosophies and principles, materials, lesson content, and flow of the first four Blast units.

### NAVIGATING BLAST ONLINE

Learn how to efficiently navigate Blast's teacher presentation tool.

### BLAST ONLINE'S SUPPLEMENTAL RESOURCES

Explore Blast Online's Supplemental Resources and learn about the contents of this resource-rich environment that can help you make the most of Blast.

### LESSON DEMONSTRATIONS

Learn how to teach Blast lessons with fidelity.

#### • LESSON 1

Learn the standard procedures for Letter-Sounds and Heart Words, including Look, Think, Say!; Pop-Up!; 3-Up!; and Read a Row.

#### • LESSON 4

Learn the standard procedures for the Student Workbook, including Detective Work and Phrases to Read.

#### • LESSON 5

Learn the standard procedures for the Student Workbook, including Sentences to Read and Spell It!

### THE SHIFT FROM SINGLE-SYLLABLE TO MULTISYLLABIC WORDS IN BLAST

Learn the keys to helping your students successfully make this important leap from small words to big words (watch this video before you start Unit 14).

### BLAST MINI LESSONS

Explore additional units available to fast track Blast Book 1 for students who completed Countdown or provide review between Blast Books 1 and 2.

### BLAST PASSAGES

Explore decodable, controlled passages available for fluency practice.

### ASSESSMENT AND GROUPING

The 1<sup>st</sup> Grade Foundational Skills Surveys enable one-on-one assessment of decoding and pre-decoding skills throughout 1<sup>st</sup> grade. For students with decoding weaknesses, the surveys can also be used to identify which skills have already been mastered and which remain weak.

#### • 1<sup>ST</sup> GRADE FOUNDATIONAL SKILLS SURVEY OVERVIEW

Learn how to assess 1st grade students, group them based on their decoding skills, and measure their progress during this critical year.
