COUNTDOWN ONLINE

Getting Started Video Library

We are excited to offer the Countdown Getting Started Video Library, a wonderful resource to help you get started. Access this library in the Supplemental Resources of Countdown Online.

To access these assets, please login to your Countdown Online subscription:

1. Go to Supplemental Resources
2. Click on Videos and Animations
3. Click on Countdown Getting Started Guides

To optimize your success, proceed through the videos in the order listed below:

COUNTDOWN GETTING STARTED COMPONENTS
A look at the four major components of Countdown: Teacher Guides, Online Tool, Student Workbooks, and Countdown Kits.

UNDERSTANDING COUNTDOWN TEACHER GUIDE BOOK 1
Familiarize yourself with the structure and resources found in Teacher Guide Book 1.

COUNTDOWN TEACHER GUIDE 1 INTRODUCTION
Familiarize yourself with the Introduction and its easily digestible content.

COUNTDOWN GETTING STARTED WITH INSTRUCTION UNITS 1-5
Familiarize yourself with the philosophies and principles, materials, lesson content, optional add-on instruction, and flow of the first five Countdown units.

NAVIGATING COUNTDOWN ONLINE
Learn how to efficiently navigate Countdown's teacher presentation tool.

COUNTDOWN ONLINE'S SUPPLEMENTAL RESOURCES
Learn about the contents of this resource-rich environment that can help you make the most of Countdown.

- **ALTERNATIVE SCOPE AND SEQUENCE**
  A set of introductory lessons with additional functional vocabulary instruction to begin your Countdown teaching.
- **DETAILED ACTIVITY DESCRIPTIONS**
  Instructional routines and details of each activity type found in Countdown.
- **ACTIVITY OVERVIEWS**
  View snippets of each standard activity including procedures and common language.
- **ENVIRONMENTAL PLAY ACTIVITIES**
  Also located in the Appendix of the Teacher Guide, these activities support your literacy instruction throughout the entire school day.

ASSESSMENT
The Kindergarten Foundational Skills Survey will assess the foundational reading skills of your students to determine if these skills are being established at an appropriate pace and will pinpoint specific areas in need of support. To begin with the Kindergarten Foundational Skills Survey, view the recorded resource below.

- **KINDERGARTEN FOUNDATIONAL SKILLS SURVEY OVERVIEW**
  Learn how to assess kindergarteners, group them based on their pre-decoding/decoding skills, and measure their progress during Kindergarten.
