

Bring your classroom to life and take the prep time out of your teaching.

Our online teaching tools help teachers illustrate concepts, model student practice, and move through the lessons with efficiency and fidelity. These web-based companions to the teacher lesson plans can

be used with interactive whiteboards, LCD projectors, laptops, tablets, or stand-alone computers. We offer six web-

based, online, virtual teaching tools: Countdown Online, Blast Online, HD Word Online, Phonics Boost Online, Phonics Blitz Online, and Letter Tiles Online.
